

# **Infinity Dance and Theatre School CODE OF CONDUCT**

**Infinity DTS operate a basic code of conduct that we request everyone follows.**

- Students are asked to respect other students, teachers and helpers whilst attending classes and activities. This works both ways and staff will respect students. If there are any issues, please contact the school principles.
- Please wear the correct uniform as it encourages a sense of worth and allows for safe dance practice.
- Infinity DTS is an inclusive organisation and any discrimination or bullying will not be tolerated.
- No drugs or alcohol will be tolerated in any class or activity.
